**WERK-BOOKS VENDOR MAKES PROGRESS**

The store vendor for the Werks from the Iron Road store makes progress. So far, the vendor allows users to access a menu that directs them to a website, allows them to join a group, and reads from a notecard. The notecard feature (which will be the core of the script) is going slower than hoped due to a lack of time to devote to working on it. Still, the project moves ever forward. When it is done, the UCPS will focus on Werk-Books 2.0. Feel free to peruse Werks from the Iron Road's store online at <https://marketplace.secondlife.com/stores/206428?id=206428> If you have questions, comments, or wish to help, please send a notecard to Nika Thought-werk. Thank you! ~fin~

**WORK SLOWING DOWN UCPS SEEKS WORKERS**

The UCPS will suspend work slightly with this news-letter. Readers may or may not notice a newsletter next Sunday. If news-letters keep being published, expect them to be on a less than reg'lar schedule.

If you like the content of the news-letter, feel free to send a comment in a notecard. Comments are always welcome. The news-letter will respond to all comments received (use'lly through the letters section on Page Three). Thank you!

I am looking to build up my workers at the UCPS. These workers would work at the UCPS Office in New Babbage at set times during the week.

These workers would answer questions about the office. We would also discuss ways to improve mail service for the Steamlands.

As part of the mail service, my Ghost would also help workers learn scripting (if needed). Clockworks only, please. Thank you! ~ fin

## Letters From My Mailbox

Dear Nika:

How are you?

Signed,

Moody Blues

.....  
Dear Moody,

I am a hobo again. Have you been a hobo? I should be used to this. The day before today, I ate shingles. Shingles are not bad at all, and I am truly fond of them. Postage and I have been vis'ting with cats. It has been a good time all things being equal.

How are you?

Most Sincere I Remain,

Nika

## News To Me

### New Books Posted

Werks from the Iron Road has added two free books to its lineup. One is a book on free food by Lori Alden Holuta. The second is a demo of the book Do Clockworks Dream of Gear-Toothed Sheep? The demo contains the first three chapters of the full book. It is free. And, it can be used by all. May you enjoy these books! Thank you.
